Dear Harwood Administrators and HUUSD Board Chair and Vice Chair

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of public records of the detailed, (chart of) account level spending by year or month for the Washington West Supervisory Union Schools for the years 2010-2017. I am also requesting copies of the following invoices and/or payments should these accounts not be itemized and identified in detailed financial statements:

- All purchases of computer software
- All purchases of technology/hardware assets
- All purchases of proprietary curriculum
- All consulting fees
- All legal fees related to personnel actions
- All settlement payments related to personnel actions
- Total Central Office Expense by year

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of historical spending patterns as they relate to the district budgeting process.

The law requires a response to this request within 2 days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Seth Henry
