

Guiding Principles for

Waterbury Duxbury School District Board of Directors

Guiding Principle	How did we do?	How did I do?
Have educational and developmental interests for all of our students as the guiding light.		
Communicate in a proactive and open manner.		
Be clear about what the Board's appropriate role is.		
Trust and respect the time and experience of our educational professionals.		
Be stewards of our community's investment.		
Make the focus of discussion general rather than personal.		
Respect other board members' expertise and needs for more information, discussion and deliberation.
